As a property owner, tenant or person who has requested notice, you should know that the Planning Commission will hold a public hearing to approve, conditionally approve, or deny an application for a Tentative Map and Undergrounding Waiver to convert 14 existing residential units to condominiums with 26 parking spaces on a 10,180 square foot (0.23 acre) site at 4517 West Point Loma Boulevard in the RM-3-7 Zone within the Peninsula Community Plan, Coastal Height Limit Overlay Zone, Airport Environs Overlay Zone, Airport Approach Overlay Zone, and Council District 2. This project is not within the Coastal Overlay Zone, therefore, no Coastal Development Permit is required.

This item was originally scheduled for Planning Commission on March 2, 2006, but was continued and requires re-noticing for May 25, 2006.

Should the condominium conversion project be approved, tenants may be required to vacate the premises. No units may be sold in this building unless the conversion is approved by the city and until after a public report is issued by the Department of Real Estate. Each tenant has the exclusive right to contract for the purchase of his or her respective unit upon the same terms and conditions that such unit will be initially offered to the general public or terms more favorable to the tenant. The right shall run for a period of not less than 90 days from the date of issuance of the subdivision public report pursuant

to Section 11018.2 of the Business and Professions Code, unless the tenant gives prior written notice of his or her intention not to exercise the right.

If you are an existing tenant within this project, you may have rights to certain benefits as outlined in San Diego Municipal Code Section 144.0503. To learn more information regarding these benefits, please contact the Housing Commission at (619) 578-7580, or find the details on their website at: <http://www.sdhc.net/haotherprog1h.shtml>.

This project was determined to be categorically exempt from the California Environmental Quality Act (CEQA) on September 22, 2005. An appeal of the environmental determination was filed on September 23, 2005, but withdrawn on February 8, 2006.

The decision of the Planning Commission is final unless appealed to the City Council. In order to appeal the decision of the Planning Commission you must be present at the public hearing and file a speaker slip concerning the application or have expressed interest by writing to the Planning Commission before the close of the public hearing. To file an appeal, contact the City Clerk at 202 "C" Street, Second Floor. The appeal must be made within 10 working days of the Planning Commission decision. If you wish to challenge the City's action on the above proceedings in court, you may be limited to addressing only those issues you or someone else have raised at the public hearing described in this notice, or written in correspondence to the City at or before the public hearing.
